## FIGURES

1	Inward and outward FDI in Sweden, 1965–93	31
2	Outward direct investment as a proportion of gross domestic investment by country, 1976–80, 1981–5 and 1986–90	33
3	Proportion of acquisitions in different regions over time	44
4	Distribution of Swedish MNCs' output and sales in Sweden and abroad, 1970–90	51
5	Composition of exports from parent companies of Swedish MNCs, 1970–90	52
6	Imports from parent companies, total exports and exports to Sweden by manufacturing affiliates of Swedish MNCs in relation to affiliates' total sales, 1970–90	53
7	Destination of sales by Swedish, United States and Japanese majority-owned affiliates abroad, 1990	54
8	Composition of parent company exports to manufacturing affiliates of Swedish MNCs, identical firms, 1970–90	55
9	Gross domestic expenditure on R&D as a percentage of GDP in selected OECD countries, 1977 and 1989	79
10	Average annual growth of R&D expenditure across industries, 1974–90	83
11	Total, domestic and overseas R&D intensity of Swedish MNCs, 1970–90	85
12	Overseas production and overseas R&D of Swedish MNCs, 1990	91
13	Distribution of Swedish MNCs' overseas R&D and overseas production, by region, 1990	92

FIGURES

14	R&D intensity of Swedish MNCs and the ratio of foreign to total sales, 1990	98
15	Expenditure on education and training per employee by Swedish MNCs, per industry, at home and abroad, 1990	103
16	(a) Net flows of FDI in EFTA countries, 1981-92	112
	(b) Net flows of FDI in selected EC countries, 1981-92	112
	(c) Net flows of FDI in Portugal, Spain, the United Kingdom and the EC as a whole, 1981-92	113
17	Changes in average inflows and outflows of FDI in EC and EFTA countries between the periods 1981-5 and 1986-90 relative to GNP in 1985 and 1990 respectively	114
18	Total expenditure on R&D in Sweden relative to GNP, 1981-91	128

## TABLES

1	Outward stock of FDI relative to GDP, 1990, and share of total outward stock of FDI in the OECD, 1980 and 1990, by country	4
2	Swedish multinational companies in manufacturing, by industry of parent, 1990	9
3	Share of services in total employment, by sub-industries, in Swedish manufacturing, 1970-91	25
4	Inward stocks of foreign direct investment, by major host region, 1975-90	26
5	Annual change in employment in Swedish firms, by company size, 1985-90 and 1990-2	29
6	Swedish exports of goods, by destination, 1970-92	30
7	Geographical distribution of Swedish outward FDI, 1971-93	32
8	The 20 largest Swedish multinational companies in manufacturing, ranked according to foreign employment, 1990	34
9	Swedish share of Swedish MNC sales, production, value added and employment, 1970-90	36
10	Annual percentage change in number of employees, various categories of manufacturing affiliates of Swedish MNCs, all and selected industries, 1979-86 and 1987-90	37
11	Distribution of employees in Swedish MNCs, by industry, 1990	37
12	Employment in Swedish-owned foreign manufacturing affiliates in developed countries, by industry and region, 1978, 1986 and 1990	38

TABLES

13	Employment in Swedish-owned foreign manufacturing affiliates in developing countries, by industry and region, 1978, 1986 and 1990	39
14	Distribution of new foreign affiliates of Swedish MNCs, by parent company size, 1965–90	41
15	Employment in foreign manufacturing affiliates of Swedish MNCs, distributed over different regions, by company size, 1990	41
16	(a) Percentage of affiliates directly or indirectly wholly-owned by the parent company of the MNC, by region, selected years 1965–90	42
	(b) Percentage of affiliates over 50 per cent directly owned by the parent company of the MNC, by region, selected years 1965–90	43
17	Proportion of take-overs in the periods 1971–80 and 1981–90, by country	45
18	Proportion of acquisitions among affiliates in different industries and period of acquisition, 1901–90	46
19	Total Swedish exports and exports accounted for by parent companies of Swedish MNCs, selected years 1970–91	50
20	Exports from parent companies of Swedish MNCs and total Swedish exports, by industry and region, 1990	58
21	Total parent exports and exports to manufacturing affiliates of Swedish MNCs, by region, 1990	59
22	Sales and imports from parents by foreign manufacturing affiliates of Swedish MNCs, by region, 1990	60
23	Sales and exports from foreign manufacturing affiliates of Swedish MNCs, by region, 1990	61
24	Exports to foreign manufacturing affiliates as a share of total parent exports, by industry, 1970–90	63
25	Imports from parent company and exports by foreign manufacturing affiliates of Swedish MNCs relative to sales, by industry, 1990	64
26	Propensity of Swedish-owned affiliates to import from parent, and the proportion of intermediates in their overall imports, by entry mode, selected years 1970–90	66
27	Imports from parent companies as a proportion of sales by affiliates established between 1955 and 1965,	

TABLES

	arithmetic means, by mode of entry, selected years 1965–86	68
28	Imports from parent companies as a proportion of sales by affiliates established between 1964 and 1974, arithmetic means, by mode of entry, selected years 1974–90	68
29	Proportion of Swedish-owned foreign manufacturing affiliates which imported intermediate products from the parent company, by region, selected years 1974–90	71
30	Percentage of Swedish total foreign sales produced abroad, by region, selected years 1965–90	71
31	Share of Sweden and of Swedish MNCs in world and OECD exports, selected years 1970–92	72
32	Gross domestic expenditure on R&D and number of national patent applications, 1985, plus annual real growth in these variables, in selected OECD countries, 1975–85	80
33	R&D expenditure of Swedish MNCs, by industry, 1970–90	82
34	Total R&D intensity of Swedish MNCs, by industry, selected years 1970–90	84
35	Total R&D intensity of the 50 largest R&D spenders in different regions, selected years 1984–92	84
36	Number of patent applications in Sweden by Swedish MNCs, by industry, 1974–90	86
37	Share of R&D abroad for Swedish MNCs, by industry, 1970–90	89
38	Share of R&D abroad for 20 large Finnish MNCs, by industry, 1987 and 1992	89
39	R&D expenditure of foreign manufacturing affiliates, by region, 1990	93
40	R&D intensities among foreign manufacturing affiliates, by region, 1990	94
41	R&D expenditure of foreign manufacturing affiliates with different entry mode, by industry, 1978 and 1990	94
42	R&D intensities among foreign manufacturing affiliates with different entry mode, by industry, 1978 and 1990	95
43	Distribution of employment in Swedish manufacturing: small firms, subcontractors and large firms, 1989	104

TABLES

44	Employment categories for the global operations of Swedish manufacturing MNCs, 1988	105
45	Swedish manufacturing MNCs classified according to level of expenditure on training, 1990	105
46	Inward cumulative flows of FDI in the OECD, 1971–80, 1981–6 and 1987–90	111
47	Geographical distribution of inward stock of FDI in Western Europe, selected years 1980–92, and GDP in 1990	115
48	EC share of the OECD countries' stock of FDI in Europe, 1990	116
49	Geographical distribution of the United States stock of FDI in Western Europe, 1972–90	116
50	Employment in Japanese-owned manufacturing firms in Europe, 1989	117
51	Number of European manufacturing affiliates of Swedish MNCs, 1986 and 1990, by country	118
52	Distribution of employees in the parent companies and European manufacturing and sales affiliates of Swedish MNCs, 1986 and 1990 by country	119
53	Number of European manufacturing affiliates of Swedish MNCs, 1986 and 1990, by country and region	120
54	Output from foreign manufacturing affiliates of Swedish MNCs in the EC and in EFTA countries, by industry, 1986 and 1990	121
55	Propensity of Swedish-owned European affiliates to export and to import intermediate products from the parent company, by country, 1990	122
56	Employment in 'identical' Swedish MNCs, parent companies and manufacturing affiliates, in the EC, by industry, 1986 and 1990	124
57	Share of intermediates in total parent exports to the EC, and in parent exports to manufacturing affiliates in the EC, by industry, 1986 and 1990	124
58	Average annual changes in value added per employee between 1986 and 1990, by industry, region and selected host countries, 'identical MNCs'	125
59	Industrial employment and value added as shares of total employment and value added in Sweden, 1980, 1985 and 1991	127
