6	POLICY IMPLICATIONS	141
6.1	<i>The international agenda</i>	142
6.2	<i>Demands on a European agenda for East Asia</i>	150
6.3	<i>Items on a European agenda for East Asia</i>	152
	<i>Notes</i>	160
	<i>References</i>	165
	<i>Index</i>	178

## FIGURES

2.1	Real growth in world GDP (1985 prices) and nominal growth in world trade, 1965–90	12
2.2	Sectoral composition of world trade, 1970–88	13
2.3	Industrial composition of manufactured exports, 1970–88	14
2.4	OECD manufactured exports by market, 1970–88	15
2.5	OECD exporters of manufactured products, 1970–88	16
2.6	US and EC trade with Japan, 1970–90	23
3.1	Stocks of Japanese direct investment in 1990	62
3.2	Stocks of US direct investment in 1990	62
5.1	The EC's external trade balances as a percentage of exports to regions	108
5.2	The EC's external trade balances as a percentage of total EC exports	109
5.3	The EC's exports to regions of developing countries	110
5.4	The EC's imports from regions of developing countries	111

## TABLES

2.1	Exporters of manufactured products, per cent 1970–88	17
2.2	Import penetration ratios, total for newly industrialized economies, 1970 and 1985	18
2.3	Population, area and income of Pacific Basin countries, 1990	19
2.4	Shares of various Asian Pacific countries and groupings, and of the United States, Europe (OECD), Asian Pacific region and China, in world population, area and OECD income, 1990	20
2.5	Various GDP ratios, 1970–90	21
2.6	Changes in Asian Pacific trade flow ratios, 1960–88	22
2.7	Exports from the Asian Pacific region to principal importing countries and country groups as a percentage of total Asian Pacific exports, 1960–88	23
2.8	Estimated shares in OECD total research and development in various industries, 1983	24
2.9	Imports of the Asian Pacific region from principal countries and country groups, 1960–88	30
2.10	Exports to the Asian Pacific region as a percentage of the total exports of each exporting country or country group, 1960–90	31
2.11	Principal countries and country groups importing from the Asian Pacific region, 1960–90	32
3.1	Statistics on education	45
3.2	Length of service for male workers in manufacturing, Japan and the EC	48
3.3	Development of real output in manufacturing per employee (1980 = 100)	54

TABLES

3.4	Stocks of total and Japanese direct investment in Asian countries	58
3.5	Cumulative flows of direct investment, OECD countries, 1981–90	66
4.1	Crime statistics	76
5.1	Export intensities, i.e. exports of the United States, European Community and Japan to a number of East Asian countries and country groups in per thousand of GDP of the United States, European Community and Japan respectively	101
5.2	Export intensities, i.e. exports of the United States, European Community and Japan to a number of East Asian countries and country groups as a percentage of total exports of the United States, European Community and Japan respectively	102
5.3	Exports of manufactures of the United States and the European Community to Japan as a percentage of GDP, total exports, total exports of manufactures, total exports to Japan	103
5.4	Import intensities, i.e. imports from East Asian countries into the United States, European Community and Japan as per thousand of GNP of the importing country	104
5.5	Stock of foreign direct investment in Japan and the United States, as reported by the home country	106
5.6	Stock of foreign direct investment in the United States, West Germany, the UK, Thailand and Japan as reported by the host country	107
5.7	Growth rates in European countries	114
5.8	Comparison of selected banking systems, end 1986	121
5.9	Projected economic indicators in Europe for 1992	123
5.10	Geographical and sectoral distribution of Japanese direct investment in Europe, 1951–89 (cumulative)	133
5.11	Japanese entry modes in Europe, major industries	136
5.12	Japanese direct investment in Europe, major countries and industries, 1985–9 (cumulative)	137
