CONTACT INFORMATION	Research Institute of Industrial Economics Institutet för Näringslivsforskning (IFN) Box 55655 SE-102 15 Stockholm, Sweden	Voice: +46 (0) 70 6464315 Fax: +46 8 665 4599 E-mail: Per.Hjertstrand@ifn.se www.ifn.se/eng/people/research-faculty/per-hjertstrand
ACADEMIC TITLE	Associate professor in Econometrics (<i>Swedish</i> : Docent i ekonometri) Hanken Swedish School of Economics, Finland. Awarded 10/2013	
EDUCATION	Ph.D. in Economics Lund University, Sweden, 11/2008 Dissertation Title: “Testing for Rationality, Separability and Efficiency” Master of Science in Economics Lund University, Sweden, 01/2004	
POSITIONS	Research Institute of Industrial Economics , Stockholm, Sweden Research fellow and Associate professor, 08/2012 - present Lund University , Lund, Sweden Post doc./Assistant professor, 02/2012 - 04/2012, 12/2008 - 06/2011 Hanken Swedish School of Economics , Helsinki, Finland Assistant professor (<i>Swedish</i> : Överassistent), 10/2011 - 02/2012	
RESEARCH INTERESTS	Applied econometrics; Consumer analysis; Non-parametric econometrics; Production economics; Revealed preference	
PUBLICATIONS	Homothetic efficiency: Theory and applications (with Jan Heufer), forthcoming in <i>Journal of Business & Economic Statistics</i> , 2017 Why entrepreneurs choose risky R&D projects - but still not risky enough (with Erika Färnstrand Damsgaard, Pehr-Johan Norbäck, Lars Persson and Helder Vasconcelos), forthcoming in <i>Economic Journal</i> , 2017 Mixed integer revealed preference tests of utility maximization and weak separability for consumption, leisure and money (with James Swofford and Gerald Whitney), <i>Journal of Money, Credit and Banking</i> 48, 1547-1561, 2016 Revealed preference tests for weak separability: an integer programming approach (with Laurens Cherchye, Thomas Demuyne and Bram De Rock), <i>Journal of Econometrics</i> 186, 129-141, 2015 Consistent subsets: Computationally feasible methods to compute the Houtman-Maks-index (with Jan Heufer), <i>Economics Letters</i> 128, 87-89, 2015 Indirect estimation of semiparametric binary choice models (with Joakim Westerlund), <i>Oxford Bulletin of Economics and Statistics</i> 76, 298-314, 2014	

Are the choices of people stochastically rational? A stochastic test of the number of revealed preference violations (with James Swofford), *Empirical Economics* 46, 1495-1519, 2014

Revealed preference tests for consistency with weakly separable indirect utility (with James Swofford), *Theory and Decision* 72, 245-256, 2012

Relative sources of european regional productivity convergence: A bootstrap frontier approach (with Kerstin Enflo). *Regional Studies* 43, 643-659, 2009

WORKING PAPERS A simple method to account for measurement errors in revealed preference tests (IFN working paper: Wp990)

BOOK CHAPTERS AND CONFERENCE PROCEEDINGS A Monte Carlo study of the necessary and sufficient conditions for weak separability. *Advances in Econometrics* 24, 151-182, 2009

Food demand in Sweden: A nonparametric approach. Published in Functional Structure Inference, W. A. Barnett and A. Serletis (Eds.), 157-182, Chapter 9, 2007, Elsevier

Indirect estimation of a simultaneous limited dependent variable model for patient costs and outcome. ISI World Statistics Congress Proceedings 2015: 60th WSC, Rio de Janeiro (with Gunnar Rosenqvist)

JOURNAL SERVICE **Associate editor**
Macroeconomic Dynamics

Referee
Econometrics, Economic Modelling, Empirical Economics, Journal of Econometrics, Macroeconomic Dynamics, Regional Studies, Scandinavian Journal of Economics, Quantitative Economics.

AWARDS AND SCHOLARSHIPS Johan och Jakob Söderbergs stiftelse, 09/2017 - 08/2018
The Jan Wallander post-doctoral scholarship (W2009-0079:1), 01/2010 - 03/2013
The Knut and Alice Wallenbergs Foundation, 2006
Charter Fellow, Institute for Nonlinear Dynamical Inference (INDI), Moscow, 2017

RESEARCH PROJECTS **Leadership (Principal investigator)**
Measuring the gains from globalization (P2015-0232:1) (SEK 1 800 000), 09/2015 - 08/2018. Funded by the Jan Wallander and Tom Hedelius Foundation

Co-applicant
Estimating elasticities: Parametric and non-parametric applications to money demand systems and consumer heterogeneity (P2012-0271:1), 01/2013 - 08/2015. Funded by the Jan Wallander and Tom Hedelius Foundation

Developing and evaluating separability tests, 11/2008 - 12/2010. Funded by the Jan Wallander and Tom Hedelius Foundation

Testing for rationality and separability, 01/2004 - 12/2007. Funded by the Jan Wallander and Tom Hedelius Foundation

VISITING
RESEARCHER AND
STUDIES ABROAD

Department of Statistical Sciences, University of Rome La Sapienza, Rome, Italy, (visiting researcher) 05/2013 - 06/2013, 04/2014 - 07/2014, 05/2015 - 12/2015

Department of Economics, Åbo Akademi, Turku, Finland, (visiting researcher) 06/2012 - 08/2012

Department of Finance and Statistics, Hanken School of Economics, Helsinki, Finland, (visiting researcher) 04/2010 - 10/2010, 01/2009 - 03/2009, 01/2008 - 03/2008

Department of Economics, University College, Dublin, Ireland, (visiting researcher) 09/2009 - 12/2009

Department of Economics and Finance, University of South Alabama, Mobile, USA, (visiting researcher) 01/2007 - 03/2007

Studies in econometrics at the Department of Economics, University of Toronto, Toronto, Canada, 09/2002 - 06/2003

CONFERENCES AND
SEMINARS

Bank of England conference on Financial services indices, liquidity and economic activity, London, England, 05/2017

Society for Economic Measurement, Thessaloniki, Greece, 07/2016

Department of Economics and Social Science, TU Dortmund, Dortmund, Germany, 01/2014

Department of Economics, Åbo Akademi, Turku, Finland, 06/2012

Aboa Centre for Economics, Turku, Finland, 06/2012

IFN, Stockholm, Sweden, 04/2012

Economic Theory and Applications: Arne Ryde 31st Symposium, Malaga, Spain, 01/2012

Department of Economics, Binghamton University, Binghamton, USA, 10/2010

Department of Economics, University College, Dublin, Ireland, 10/2009

Department of Finance and Statistics, Hanken School of Economics, 03/2009, 04/2008, 01/2008

Helsinki Center of Economic Research (HECER), Helsinki, Finland, 03/2008

Measurement Error: Methods and Practice. International conference, Birmingham, England, 07/2007

The 2006 ESRC Econometric Study Group conference, Bristol, England, 07/2007

Department of Economics, University of Kansas in Lawrence, Lawrence, USA, 03/2007

Department of Economics and Finance, University of New Orleans, New Orleans, USA, 02/2007

Department of Economics and Finance, University of South Alabama, Mobile, USA, 01/2007

Department of Economic History, Lund University, Lund, Sweden, 10/2005

Department of Economics, Lund University, Lund, Sweden, various occasions 2005 - 2010

PEDAGOGICAL
QUALIFICATIONS

Teaching (overall >650 class hours)

Lund University, Lund, Sweden

Intermediate Econometrics (undergraduate)

Time Series Analysis (graduate)

Supervision of 5 Master theses and 3 Bachelors theses

Hanken School of Economics, Helsinki, Finland

Mathematical Economics (undergraduate)

Stockholm School of Economics, Stockholm, Sweden

Empirical Economics (undergraduate)

Pedagogical nomination

Nominated for the best teacher award (årets föreläsare) at Hanken School of Economics in 2011

University teacher training (pedagogical courses)

Doctoral supervision - introduction (Forskarhandledning - introduktion), Lund University, 2012

Pedagogical University Continuation Course (Högskolepedagogisk fortsättningskurs), Lund University, 2010

The Role of the University Teacher (Lärrarrollen på universitet och högskola), Lund University, 2009

ADDITIONAL SERVICE IN ACADEMICS

Conference organization: Served on the scientific committee for the conference: Measurement Errors: Methods and Practice, Birmingham, England, 07/2007

Evaluator of application for Associate Professor (Docent), University of Helsinki, Finland

LANGUAGES

Swedish (mother tongue)

English (fluent)

Italian (conversational)

German (beginner)
